Education

Bachelor of Technology — 07/2023 - 01/2027 | Kalavakkam, Chennai
SSN College of Engineering

Higher Secondary & Secondary Education — Manjakuppam, Cuddalore
A.R.L.M Matriculation Higher Secondary School

Activities

NSS — 08/2023 | CHENNAI
VOLUNTEER
Actively participated as an NSS volunteer, contributing to community service initiatives focused on health, education, and environmental awareness. Engaged in activities such as blood donation drives, clean-up campaigns, awareness rallies, and rural outreach programs. Developed leadership, teamwork, and social responsibility through meaningful service to society.

Projects

Word Search Game — Minor Project – Undeployed

- Team Size: 4
- Frontend & Backend: ReactJS and Node.js
- Algorithm Used: ADSA (Advanced Data Structures & Algorithms)
- Developed an interactive word search puzzle using efficient search and backtracking logic. Integrated frontend and backend to dynamically generate and validate word paths on a 2D matrix grid.
- Project code and demos available at my GitHub.

Hotel Management System — Minor Project – Undeployed

- Team Size: 4

GitHub

Figma Portfolio

- Frontend: HTML, CSS, JavaScript
- Backend: Binary Trees, Dictionary (Data Structures)
- Simulated hotel operations with structured data handling, UI design, and logical workflow.

Personal Notes Management System

Minor Project – Undeployed

- Team Size: 2
- Frontend: HTML, CSS
- Backend: Python (Design Patterns), Database Integration
- Built a personal notes system with secure data storage and an easy note retrieval interface.
